ANNOUNCEMENTS

PUBLIC COMMENT

Lee Stephenson residing at 210 Chapel Street addressed the council regarding the city tagging his boat that is parked on the street and then sending a Deputy to his door talking about towing the vehicle. He has had the boat since 2015 and parks it on the street for several months during boating season. To get the boat off the street he was going to park it in his front yard but was told that was prohibited also.

Stephenson stated that the city's storage and parking codes for recreational vehicles is outdated and unreasonable and requested the council revisit Section 17.58.090 and either remove or revise several subsections.
